Acknowledgement

We would like to express our heartfelt gratitude to our guide, **Prof. Dharmesh G. Patel**, for his continuous support, valuable guidance, and encouragement throughout the development of our mini project titled "**QuickMeds: Centralized Medicine Management System**". His insights were instrumental in helping us complete this project successfully.

We also extend our sincere thanks to **Dr. Nilesh B. Prajapati**, Course Coordinator, and **Dr. Keyur N. Brahmbhatt**, Head of the Department, for providing us with the necessary resources and a conducive academic environment. We are thankful to all the faculty members of the Information Technology Department for their support, and to our families and friends for their encouragement.

Lastly, we appreciate the teamwork, dedication, and cooperation among ourselves—**Rahul Parmar (22IT449), Het Patel (22IT434), and Siddhant Rathod (22IT455)**—which played a vital role in the successful completion of this project.
